SUBJECT: Claiming Criteria for Relative Care Providers

CONTACT: Devon Parcell

PHONE: (801) 538-7682

The following criteria are to be used for Relative Care Providers who have been unable to complete application requirements prior to bulletin FDCH 03-08 because of the inability of obtaining a fire inspection.

Licensed, Residential Certificate, and Relative Care providers who were participating prior to December 2007, and who have documentation for all program requirements except the fire inspection, may claim from December 1, 2007.

Relative Care Providers new to CACFP prior to February 1, 2008, can be claimed from January 1, 2008 if all program requirements were in place except for a fire inspection.
